

JAY INSLEE
Governor

STATE OF WASHINGTON
Office of the Governor

TO: Interested Stakeholders

FROM: Governor Jay Inslee

DATE: August 20, 2020

SUBJECT: Bowling – Proclamations 20-25, *et seq.*

This memorandum serves as the criteria for bowling operations to partially resume in Phases 2 and 3. This memorandum is effective August 20, 2020.

After consulting with stakeholders, we have developed the **Bowling Phase 2 and Phase 3 – COVID-19 Requirements**. These requirements apply as long as Gubernatorial Proclamation 20-25, and any extension thereof, is in effect or if adopted as rules by a federal, state or local regulatory agency.

For purposes of this memorandum, bowling operations may resume to accommodate league play only.

This memorandum stands in the place of any omission from Proclamation 20-25’s Appendix, “Essential Critical Infrastructure Workers” and supersedes any conflicting language in the Governor’s July 28, 2020, memorandum on gatherings, live entertainment, and other modifications to the Safe Start Plan.

The activities described in this memorandum may resume immediately if:

- a) **The businesses or organizations can meet and maintain all requirements, including providing materials, schedules and equipment needed to comply; and**
- b) **The businesses or organizations conduct only those activities that are allowed under their county’s phase status.**

General questions about how to comply with Proclamations 20-25, *et seq.*, can be submitted [here](#).

Violations related to Proclamations 20-25, *et seq.*, can be reported [here](#).
